Debbie was born & raised in Southern California, the land of sunshine and flip-flops. One inspired a quest for wellness and the other a great pedicure.

Her passion for a healthy lifestyle is incorporated into her love of providing natural nail care services. This interest grew out of first practicing at home with friends, and has evolved into a high demand for her services that has recently included the Vans Warped Tour and the Coachella Festival.

Debbie's passion for wellness and great manicures and pedicures has made her a must have manicurist within the most elite circles of editorials and advertisements. Her long list of A-list clientele includes Mila Kunis, Emma Stone, Anna Kendrick, Jennifer Hudson, Olivia Wilde, Anna Paquin, Christina Hendricks, Penelope Cruz and 2012 Oscar nominee, Jessica Chastain.

Debbie's flawless work has been featured on the cover and in the pages of *Vogue*, *Harper's Bazaar*, *Elle*, *Vanity Fair*, *In Style*, *Allure* and *Rolling Stone*, as well as part of nationwide advertising campaigns for Got Milk, Banana Republic, Neiman Marcus and Nike.

In addition to the loyal clientele she has cultivated, Debbie has provided services on location at the Sundance Film Festival, at "Luxury Lounges" for the Oscars, Emmy's, and Golden Globes, on-set nail care for film, television, and photo shoots, as well as private house calls.

Debbie lives in Los Angeles and is represented globally by Cloutier**Remix**.
