Jennifer J. is the most sought-after celebrity Hair Colorist nationwide among the influencers, tastemakers and entertainment elite. Her experience spans more than 15 years, during which this time she has become a key figure in the world of hair coloring. Her precision and visionary techniques have made her a master at color corrections, beautiful vibrant tones and most importantly, natural hair color. This incredible combination catapulted her to the top of many A-lister and studio executives' address books alike. Whether on set or in the salon, Jennifer's loyal clientele continues to seek her expert hair coloring services due to her immeasurable skill, professionalism and easygoing demeanor.

Transitioning from New York to LA, Jennifer began her journey as a Hair Color Expert by training with the renowned Louis Licari who introduced her to the film industry. With her skills, innate talent and industry experience, Jennifer continued to add to her celebrity clientele and industry projects.

Constantly honing her craft, Jennifer has become the go to Colorist when it comes to defining seasonal trends in hair color. She has created signature looks for clients such as Kristen Stewart in the TWILIGHT series of films, Lily Collins in SNOW WHITE & THE HUNTSMAN, and January Jones in MAD MEN. Julia Roberts & Cate Blanchett can also be counted among her A-List clientele. In addition to celebrity styling, Jennifer also finds time to create looks found in *New York Times Style*, *USA Today*, *Harper's Bazaar*, *Marie Claire*, *Lucky*, *Women's Wear Daily*, *Self*, *InStyle*, *E!* and *US Weekly*.

She says, "I get to have the best of both worlds – the stability of working behind the chair in the salon and fostering relationships with my clients, while also experiencing the excitement of traveling to all corners of the world to work on the sets of Hollywood films."

After successfully making a name for herself in the industry, Jennifer embarked on another entrepreneurial endeavor when she and her husband Sean Jahanbigloo, a fellow stylist, took over a Beverly Hills Salon, *Juan Juan*, in 2000. After their acquisition, Jennifer and Sean completely revamped the salon to suit their style: sleek, modern, and luxurious. In 2005, they expanded their business to meet their demand, opening a second *Juan Juan* location in the Brentwood area of Los Angeles.

Jennifer strives for quality and artistry with each client. Her vast knowledge of the salon business gives her a greater understanding of the way celebrity trends impact the hair color and styles of the season, while creating her own artistic interpretation specific for each client.
